## About Us

APAGECO Global Trading, through its renowned brand Black Gold Persia, stands as a premier supplier and exporter of premium Iranian dates, cherished worldwide for their rich flavor and superior quality. Sourced directly from Iran's fertile palm groves, these dates promise natural sweetness, unmatched freshness, and an authentic taste that reflects the country's rich agricultural heritage. With a deep rooted commitment to excellence, APAGECO leverages years of experience in international trade to seamlessly connect this traditional Persian delicacy to global markets. Partners benefit from competitive pricing, meticulous packaging, and reliable delivery, ensuring a seamless experience from the hands of dedicated local farmers to tables across the globe. At Black Gold Persia, every date is more than just a product; it is a symbol of Persian excellence, shared with the world.

## Iranian Export Dates

### **Eternal Sweetness from the Golden Gardens of the South**

Discover why Iranian dates are the first choice of global importers and gourmet brands worldwide.

As the world's second largest producer of dates, Iran supplies over one million tons of this "sweet gold" annually, exporting about 35% of its total production generating more than \$550 million in foreign exchange for the agricultural sector. With a 5.4% growth in the global dates market (2024–2025), Iranian dates have captured markets from India to Europe with their unmatched flavor, organic purity, and exceptional shelf life.

At Black Gold Persia, we proudly bring you this natural treasure sourced directly from Iran's finest palm groves, packed with luxurious design and certified by international standards such as Codex Alimentarius.
